

LAX EMPLOYEE SHUTTLE BUS ROUTE REFINEMENTS

Based upon comments received from the LAX Employee Shuttle Bus Route Pilot Program, the following changes will take effect **May 1, 2017 at 2:00 AM**:

- LAX Employee Shuttle Bus routes will revert to a **TWO-ROUTE SYSTEM** (i.e. Lot East and Lot West routes). All shuttle pick-up/drop-off stops in the Central Terminal Area (CTA) will be at the 'LAX Shuttle / Airline Connections' BLUE sign on the **LOWER LEVEL** roadway only. (Please see map below for detailed information on each shuttle stop.)
- **EAST LOT SHUTTLE** will stop at Terminals 1, 2, 3, TBIT (North corner T3), and Terminal 6. Total roundtrip time may take approximately 45 - 75 minutes with 15 - 35 minutes bus wait time, depending on roadway traffic.
- **WEST LOT SHUTTLE** will stop at Terminals 3, 5, 6 and 7. Total roundtrip time may take approximately 45 - 75 minutes with 15 - 35 minutes bus wait time, depending on roadway traffic.

None of the above changes will affect current pick-up times in the employee lots. Current employee parking arrangements will remain the same after the May 12 airline relocations. Delta and all other airline employees impacted by the airline relocations on May 12th do not have to switch between Lot East and Lot West parking lots at this time.
